Brisbane Valley Cat Rescue Incorporated is a non-government, not-for-profit, community-based charity. We rely purely on donations, bequests, legacies, workplace giving and other fundraising to maintain our ability to care for the cats and kittens surrendered or rescued by our team of volunteers

Your donation will:

- Provide food and shelter for the cats and kittens in our care
- Sterilise male and female cats to prevent unwanted litters
- Microchip and vaccinate
- Help in the treatment and care of sick or injured cats
- Assist in the operation of our animal shelter
- Provide education, advice and a community desexing program to reduce numbers of unwanted cats

BEQUEST INFORMATION

“What happens to me when you’re gone?”

What is a bequest? When you pass away, your Legal Will shall specify how you want your property and assets to be dealt with. Without a Legal Will, others will decide how your estate is to be finalised. A bequest is a property or a sum of money dedicated to an organisation upon the donor’s death.

Why leave a bequest? What happens with you cat(s) after you pass away? How do you know your loved ones will provide the same loving care you have? Leaving a bequest in your Will to Brisbane Valley Cat Rescue Inc. guarantees that we will care for your cat(s) for the remainder of their lives by matching them to a caring foster home where we monitor your cat’s health and wellbeing, as well as provide for all of their future veterinary needs, giving you peace of mind.

For those without a cat, leaving a bequest to Brisbane Valley Cat Rescue Incorporated is an invaluable way of ensuring our future work when you can best afford to do so.

Type of Bequest

• Proportion

The most adaptable form of a bequest is a proportion or percentage of your estate. By using this kind of bequest you need not worry about the effects of inflation or changes in the size of your estate.

• Specific Sum

A specific bequest of money is a simple one but it can be reduced in value over the years by inflation and it remains fixed despite any increase or change in the value of your estate.

• Property

A specific bequest of property is one that nominates property, works of art, stocks and shares or insurance policies.

• Residue

When you have made provision for your family you may wish to leave the residue to B.V.C.R. Inc.
